

PGHS School Community Council Agenda

December 5, 2018

Welcome – Cristie Wood

Review Minutes

Dr. Stewart – School Boasts and Brags and Other News

Amy Smithson - Math Department

David Van Dijk - Science Department

Kurt Wollenzien – Better understanding the students who don't graduate

What are their issues? What are their obstacles? What can we do to help them more effectively?

Group Discussion – Any insights from the information we received today?

What information do we need for next month to further assess the needs and progress of our school?

Next Meeting – Wednesday, January 2nd at 12:00
