you want?

## Be a Pathway Completer!

How does completing a Pathway benefit YOU?

- Make high school more valuable by being focused and deliberate in the courses you take.
- Make better decisions by taking CTE courses to decide what you will study in college.
- Earn industry certificates to help find a job after graduation.
- Gain job experience by fulfilling an internship in the field of your choice.
- Apply for CTE and college scholarships.
- Be recognized as a Pathway Completer by the State Board of Education and receive a cord for graduation.
